Re: Art Course Fees

Dear Parents,

We would like to welcome your student to the Award Winning Visual Arts Department here at Anderson High School and let you know we look forward to working with him or her during the 2017-18 school year. Certainly we have very high expectations of your student and sincerely hope he or she will meet those expectations and enjoy the journey along the way. We also look forward to your student participating in some of the approaching fine art competitions with hopes of them joining the other outstanding art students who have put Anderson’s High School Visual Art Department on the map.

In order for our Art Department to function and remain on the cutting edge with all the best materials and supplies, we must collect from each student a Course Fee that will cover the cost of the expensive materials and supplies necessary for each course. Each of our instructors will purchase the necessary materials and supplies in bulk wholesale quantity and disperse them to students as they are needed throughout the school year. This process will absolutely save you the time of having to go out shopping for these hard to find the materials and supplies. Purchasing in large quantities ultimately saves you a great deal of money as well.

Below is a listing of each art course and the corresponding fee associated with that course and the instructor.

Fees may be paid by check, cash or credit card online at https://austinisd.schoolcashionline.com as soon as it become available in the next couple of weeks.

*Checks should be made payable to “Anderson High School”

Please remit the course fee to your student’s instructor or use the online credit card payment feature as soon as possible.
